Recipe from: Natalie Williams

Tips: Feel free to add your own favorite toppings! Maybe even grill the pizza for added flavors.

Joshua 3:5...Consecrate yourselves, for tomorrow the Lord WILL do AMAZING things among you!!

I Can't Believe it's Cauliflower Crust Pizza

- 1 Rustic Crust Cauliflower Pizza Crust (found at Wal-Mart)
- ¼ c. pizza sauce of your choice (I used Chef-Boyardee)
- ¼ c mozzarella cheese
- ¼ c sharp cheddar cheese
- Sliced onion
- 3 mini-bell peppers sliced

Directions: Add toppings in the ingredient order to prevent the crust from becoming soggy. Be careful not to overload your pizza with toppings, as this will cause the crust to become soggy as well. I use a pizza pan with holes for added crisp. Bake according to crust directions. Add grilled romaine with 20 calorie Cesare Dressing provided by E4M's April Taylor!
